INTRODUCTION OF SSM BIZTRUST QR CODE ON MYLLP PORTAL

The Companies Commission of Malaysia (SSM) has introduced the SSM BizTrust module which is a business starter kit in the form of QR Code that serves as verification and digital identification for Limited Liability Partnership (LLP) entities registered with the SSM starting **December 30th, 2022**.

Compliance Officers who have MyLLP accounts on the SSM4U portal (<https://www.ssm4u.com.my/Pages/default.aspx>) can download, and subsequently, upload this SSM BizTrust QR Code to their respective LLP business platforms.

Information can be found on the SSM official website (<https://www.ssm.com.my>) under the SSM BizTrust QR Code's User Guideline and FAQ section.
