

DATA & COMPLIANCE REPORT 2024

DNFBP PORTAL UPDATE

Dear Sir/Mdm,

After the temporary system shutdown, we are pleased to inform you that the DNFBP portal is now fully operational and ready to accept submissions. You are encouraged to avoid further delay and resume your submissions at your earliest convenience. For those that are in the process of completing the submission and saved the report as draft, kindly finalise and submit in the portal.

We are looking forward in receiving submission from all the sectors involved as we observe submission rate generally is still low from all sectors. Your timely submission is crucial for the successful completion of the DCR 2024 process.

We understand the inconvenience this may have caused, and we appreciate your cooperation. Should you encounter any issues or require further assistance, please do not hesitate to reach out to our dcr@bnm.gov.my. We are here to assist you and ensure a smooth submission process.

Best regards,
