Global Passport How to apply

Do you need to get up to speed on what is happening across the globe? Do you need to know about regulatory requirements or the latest governance trends in jurisdictions other than your own?

If so, then as a member of The Chartered Governance Institute you can now access all of the intellectual property, seminars, workshops, journals and more from any part of our global network.

The new CGI Global Passport programme gives you access to all of our network of Divisions.

What do I need to do to apply?

It is easy to apply and get started.

1. Read the terms and conditions on the following page.
2. Fill it in the application form that is part of this document, scan and email it to your home Division for verification.
3. When verification is completed, email it to the membership officer of the Division that you are applying to by clicking on the relevant link below.
It's that easy!
4. The Division you are applying to should reply to you within 3 business days on any next steps.

Verification	It is the responsibility of the passport holder to secure verification from their home Division when applying to access a new Division. A CGI global passport is valid for 1 year. The passport holder is responsible for verifying the validity of their home membership to the satisfaction of the receiving Division.
